Sell-Side Advisory

Acquired by

Pyramid

[← Back to Transactions](#)

RKCA orchestrated a sell-side M&A deal for Pyramid Controls, a developer and installer of warehouse control systems and warehouse management systems—the software that drives the automation and workflow inside of large distribution centers. Following a robust process, Pyramid Controls was sold to a publicly traded firm, Matthews International. To Pyramid Controls’ founding partners, the outcome was exceptional:

1077 Celestial St. | Cincinnati, Ohio 45202
513-371-5533
