Sell-Side Advisory

3D Color, Inc.

[← Back to Transactions](#)

RKCA facilitated a sell-side M&A transaction for 3D Color, Inc. to a private investor. 3D Color, founded in 2009, creates innovative, customized prototypes and comprehensive consumer product models in an endless variety of materials, sizes, shapes and colors that adhere to the client’s design intent. The Company provides both scientific expertise, as well as artistic talent, to improve major CPG corporations’ brand appeal and product aesthetics.
